John,

We stand on all of our objections, including but not limited to timeliness and relevance. We also note that in the joint submission filed on July 29, SKAT agreed: “Any disputes as to alleged deficiencies in any party’s document production will be raised with the Court by September 15, 2021.” SKAT did not raise any issue with Defendants’ responses and objections to these document requests—either with Defendants or with the Court—on or before September 15, 2021.

If you would like to discuss this further, please let us know.

Regards,

Drew

EXTERNAL SENDER

Dear counsel,

I'm writing regarding your attached Responses and Objections to SKAT's Requests for Production of Documents Related To Dividend-Arbitrage Transactions. Given Judge Kaplan's ruling at the October 5 conference regarding the deadline for fact discovery, can you please let us know if you are withdrawing your timeliness objection to these requests and will be producing documents? Alternately, please let us know if you would like to schedule a meet and confer, or if a motion to compel will be necessary.

Best,
John
